Education

KL University, B.Tech in Computer Science

April 2026

- **CGPA:** 9.46/10
- **Relevant Coursework:** Object-Oriented Programming, Database Management, Computer Networks, Operating Systems.

Narayana College, 12th

May 2021

- **Percentage:** 96.6%

Projects

Traxigo – Ride Booking App [🔗](#)

[Source Code](#) [🔗](#)

- **Role:** Founder, Full-Stack Developer
- Optimized real-time ride-matching, reducing request-to-acceptance time by 35% using efficient WebSocket event handling.
- Integrated Google Maps API, enabling dynamic live location updates for users and captains on an interactive map.
- **Technologies:** React.js, Node.js, Express.js, MongoDB, Tailwind CSS, WebSockets, Google Maps API

Online Blogging Platform [🔗](#)

[Source Code](#) [🔗](#)

- **Role:** Team Lead
- Developed a smooth blog creation system, allowing users to write, edit, and publish posts effortlessly.
- Designed an efficient backend, ensuring fast blog storage and retrieval using MongoDB.
- **Technologies:** Node.js, Express.js, JavaScript, HTML, CSS

Skills

Programming Languages: Java, Python

Frontend Technologies: React.js, Next.js, HTML, CSS, Bootstrap

Backend Technologies: Node.js, Express.js

Databases: MongoDB, MySQL

Achievements

Full-Stack Workshop – IIT Hyderabad

[Achievement Details](#) [🔗](#)

- Built a ride-booking app using WebSockets for ride requests and Google Maps for tracking.
- Gained experience with real-time full-stack tech, applying skills under Skilligence EdTech.

24-Hour React Hackathon

[Achievement Details](#) [🔗](#)

- Led the creation of a full-stack blogging website in 24 hours using React.js and Node.js, showcasing problem-solving and teamwork under tight deadlines.

Certifications

Introduction to Databases

[Coursera](#) [🔗](#)

- Proficient in database design and optimization techniques (Coursera: Introduction to Databases).

The Bits and Bytes of Computer Networking

[Coursera](#) [🔗](#)

- Mastered networking fundamentals, including IP addressing and troubleshooting (Coursera: The Bits and Bytes of Computer Networking).
